Out of This World Space Log Journal

Purpose

Voyagers will create a journal that can be used throughout VBS to help them remember their Power Launcher phrases as well as the Bible stories.

Ages

Appropriate for all ages. Younger Voyagers may need extra help.

Preparation

- ⚙️ Cover tables with a tablecloth.
- ⚙️ Set out supplies.

Directions

Step 1: Fold five pieces of copy paper and a piece of cardstock in half, with the short sides together. Unfold. Punch two holes in the cardstock where the fold is (spine). Punch two matching holes in the stack of copy paper.

Step 2: Voyagers put the cardstock (cover) on the outside of the copy paper. Line up the holes of the cover and pages, then fold the journal.

Step 3: Voyagers decorate their journal, using a variety of craft supplies.

Step 4: Thread the two ends of the yarn or metallic-colored ribbon through the two holes inside the journal. Then tie the ends together on the outside of the journal.

Step 5: Voyagers use stencils to decorate the pages of their journal. Voyagers can use this journal throughout VBS.

Bible Tie-in

As our adventure in space begins, we can use our journals to chart our discoveries. While we are on our adventure, we can dream of space travels; and back here on earth, we can think of ways we can go beyond with faith in God.
